TO WHOMSOEVER IT MAY CONCERN

This is to certify that **MR. ABDUL MAJID WANI** (Our MRD No: 4965057) came for consultation here on 15.11.2025. He was diagnosed to have Stevens – Johnson Syndrome, Cataract and Lid Margin Keratinization in both eyes. He underwent Entropion Correction Minor + Electro-epilation in both eyes and DCT in the right eye under local anaesthesia on 22.11.2025. Postoperatively, he was reviewed on 25.11.2025. He was advised to undergo Cataract Surgery and Mucous Membrane Graft in both eyes. The approximate surgery cost for the Mucous Membrane Graft for both eyes would be Rs.70,000/- and for Cataract surgery, it would be Rs.90,000/- for both eyes. Pre-operative tests charges would be Rs.10,000/-. Mucous Membrane Graft will be performed in both eyes on the same day and for Cataract surgery we need a gap of one week between the two surgeries. Either Cataract surgery or Mucous Membrane Graft would be performed when you come for consultation next based on the status of the eyes.
